

## **Personal Auto Insurance Coverage**

It is the policy at ENPOINTE to annually request certificates of insurance from all employees driving a personal car for company business. We are asking all drivers to have a minimum coverage of 100/300/100 liability coverage for bodily injury each person/each accident & property damage.

You have been identified as an employee that drives a personal car for company business so we are asking you to sign below acknowledging your responsibility to carry the insurance levels referenced above. Please give Cristi Trost this signed form with a copy of your certificate of insurance.
