One of the purposes of this program is to allow you to change the name on an existing paper as well as update the description of any associated paper inventory that is linked to the paper.

This program is called **Adj Paper Price** but sometimes is also referred to as **Edit or Change Paper Name**.

If this program is not already on your menu or is not available in your menu generation area, please contact your support representative to have them add it to your license file.

Note This utility should not be run when users are actively using print or print and mail estimating. The changes should be done when users are out of the estimating system

Change or Update an ADJ Paper Price

When you open the program, you will see a screen like the one shown below. The papers are stored in a similar tree structure as they appear in Master Files Print under the Paper area. The first character of the paper description populates the tree.

To change the Paper Name

1. Click the plus sign to expand the tree and look at the papers within.
2. Click the paper description for which you want to change the name.

The screenshot shows the 'Paper Price Changes' window. On the left, a tree structure under 'Paper' lists categories C, E, F, H, L, n, P, S, T, and X. The 'S' category is expanded, showing 'Springhill C1s Cover 10Pt (11/19/2008)'. The main panel displays details for 'Springhill C1s Cover 10Pt':

- Paper Name: Springhill C1s Cover 10Pt
- Web or Sheet: Sheet
- Basis Wt.: 80.00

Buttons on the right include 'Revert Back', 'Apply', 'Save', 'Next', 'Save Name Change', and 'Close'. At the bottom, 'Column Adjustments' are listed: 66.66, 0, -5, -10, -18.

3. Click the **Paper Name** description and make the edits.

Description before the change:

This screenshot is identical to the one above, showing the 'Paper Price Changes' window for 'Springhill C1s Cover 10Pt'. It displays the same tree structure, paper details, and pricing table.

Description after the change:

[illegible]

4. After making the change, click **Save Name Change** and then **Close**.
5. Click **Name Change** on the tool bar header to open the following screen.

[illegible]

6. Click **Start**. The program runs through all of the existing paper records and locates any that were using the old paper name. It then replaces them with the new paper name. When the Utility is done running, the **Update Status** changes to **Complete**.
